EXPERIENCE

Marketing and Communications Manager

Hospice and Palliative Care of Greensboro | Greensboro, NC

September 2017 – Present

Annually develop and direct community-focused marketing campaigns that proactively support the organization's marketing, outreach and fundraising initiatives.

Oversee creation of all public communications for HPCG, developing materials including press releases, newsletters, web copy, the agency's blog and email campaigns.

Design brochures, advertisements, newsletters, flyers, postcards, mail solicitations, posters and digital graphics.

Manage and create content for agency's social media accounts, including Facebook, Twitter, LinkedIn, Pinterest and Flickr.

Manage both organic and paid promotions, including pay-per-click ads, Google Adwords and boosted posts.

Proactively implement website developments (design, SEO strategies and page content) to improve user experience.

Supervise, hire, train and delegate tasks to one full-time Communications Specialist.

Communications Specialist

Hospice and Palliative Care of Greensboro | Greensboro, NC

February 2015 – September 2017

Performed all graphic design (brochures, flyers, digital graphics, etc.) for agency using Adobe Creative Suite.

Managed HPCG's website through WordPress.

Oversaw all agency social media activities, including Facebook, Twitter, Pinterest, Google+ and LinkedIn.

Wrote articles for agency's newsletter and regular posts for the Caregiver's Blog.
